Dear Patient,

WELCOME to the practice of Dr. Schalk Burger!

TO OPTIMIZE YOUR VISIT AND OUR BUSINESS PRACTICE, PLEASE BE ADVISED OF THE FOLLOWING:

1. All first and follow-up consultations are payable at our rooms after your consultation.
2. We will issue a statement after your consultation; which can be forwarded to your medical aid for claiming purposes.
3. Our fees are structured as follows:
 - First consultation - R 1 100.00 (age 60 and above = R 1 000.00)
 - Follow-up consultation - R 900.00 applicable when a patient is seen within 1 year after the first consultation. Any consultation done after 1 year, will be charged for as a first consultation.
 - Second opinions - R 1 300.00 (applicable when the patient was previously evaluated by a neurosurgeon or spinal surgeon for the current problem)
 - Follow up visit for MRI or Surgery discussion - Free of charge
 - All post-surgery consultations (utilized within 4 weeks of surgery) - Free of charge.
4. Please remember to bring all your x-rays, scans and MRI's with you, unless otherwise stated by Dr. Burger.
5. Should you wish to obtain a second opinion, please do not hesitate to inform Dr. Burger. In such a case, we will gladly assist our patients with appointment arrangements.
6. Please note that there could be times when Dr. Burger may run behind schedule due to unforeseen emergencies. Should this happen while you are waiting for an appointment, we would like to assure you of our best service to shorten your waiting time and make you as comfortable as possible.
7. Please do not hesitate to ask for assistance; be it a wheelchair or something to drink - we will gladly oblige to your request.
8. This practice does not provide services to the following patients: Injury on Duty.
9. Kindly be advised that all telephonic scripts are chargeable and will be claimed directly from your medical aid.

Kind Regards,

Practise Mangement

PATIENT
